5.—Any Member who shall be suspended by the Kennel Club shall *ipso facto* cease to be a Member of the Association. If the conduct of any member shall in the opinion of the Committee, be injurious or likely to be injurious to the character and interests of the Association, the Committee may, at a meeting (the notice convening which includes as an object the consideration of the conduct of a Member), determine that a Special General Meeting of the Association shall be called for the purpose of passing a resolution to expel him. Notices of both meetings shall be sent to the accused Member giving particulars of the complaint and advising him of the place, date and hour that he may attend and offer an explanation. If at the Special General Meeting a resolution to expel is passed by a two-thirds majority of the Members present and voting, his name shall forthwith be erased from the list of Members, and he shall thereupon cease for all purposes to be a Member of the Association, except that he may within two calendar months appeal to the Kennel Club upon and subject to such conditions as the Kennel Club may impose.

6.—The Annual Subscription for Ordinary Members shall be One Pound Five Shillings and for Overseas Members 12 Shillings and 6 Pence, payable on election and in advance on the 1st January in each year. No one shall be entitled to the privileges of the membership until his or her annual subscription has been paid. THE 1965 CHAMPIONSHIP SHOW Held at Ascot Wood, on Friday, 2nd July, 1965 REPORT OF JUDGE: Miss N. H. Bilney

Sealyham Terrier Breeders' Association ch. show was held at Ascot Wood on July 2nd. Presentation was very good, coats, with a few exceptions, were excellent, fronts are greatly improved from a few years ago so that those that were not absolutely true stood out to their detriment. Quarters were generally well developed but I think breeders should pay more attention to an increasing tendency to turn in one or both hocks. I paid great attention to soundness and movement as I consider that a sporting breed should excel in these points. Unfortunately, three good exhibits refused to show and so paid the penalty.

Puppy D.: 1, Roydon's St Benets Peveril of Manin, excellent type with pleasing head, very good neck and shoulders, level topline, correct size, feet are not his fortune, celebrated his first birthday today. 2, de Quincey's Brash Coonman, won on soundness and hard condition, has a beautiful masculine head with nice expression, very good bone, legs and feet, up to size and long enough. 3, Cuming's Polrose Plainly Could, just six months so was not to sure what was expected of him, most attractive baby, balanced with good topline, excellent substance, bone and feet, should do well. Junior D.: 1, St B. Peveril of M. 2, B. Coonman. 3, Baylay's Shenden Probation, the best male I have seen from this kennel, well made throughout with good head, excellent bone and feet, sound as a bell, I like him very much but unfortunately he refused to show, had he done so would have won this and the previous class. Maiden D.: 1, Heap's Pinelea Pursuit, won on type and correct conformation, absolutely sound, moves freely for one so low to ground and would move even better if he lost several pounds in weight, a fat dog looks too heavy and this is not in keeping with a working breed, there is a vast difference between 'body' and 'fat', when in harder condition should win well. 2, B.

Coonman. 3, S. Plainly Could. Novice D.: 1, P. Pursuit. 2, B. Coonman. Tyro D.: 1, P. Pursuit. 2, B. Coonman. 3, Royden's St Benets Manorbier Metal, well made little dog with very good coat, nice neck and shoulders, very erratic showmanship and has hardly enough head for a dog. Graduate D.: 1, P. Pursuit. 2, St Benets M. Metal. Limit D.: 1, de Quincey's Brash Beatle, well made, compact and of correct size, really good head with long strong foreface, very pleasing alert expression, excellent coat, level topline, good set-on and quarters, particularly good hind action, not yet mature and is a little close in front. 2, Cunningham's Silver Print of Mannin, beautiful dog in every way but is right out of condition in both body and coat, is built on racy lines with long lean head, reachy neck which fits into sloping shoulders, level top, sound and moves well, with more weight should have little difficulty in attaining his title. 3, Tomes' Polrose Possibly Me, looking well, good coat and substance, all a dog, still unruly and so throws away his chances. Open D., this was a real teaser as type varied so much, both first and second were looking well and both moved correctly and with spirit: 1, Dickinson's Ch. Alycidon of Ax, CC, strongly made, very assertive and masculine, powerful head, excellent legs, bone, feet and quarters, great spring of rib, I don't like his oversize ears, but prefer the set of neck on to shoulders to 2 Baylay's Ch. Shenden Probity, I hated putting this well known winner down but masculinity won the day, he is a gay well made small dog with excellent jacket and scores in topline; res CC, Sp. Exhib.: 1, Rootes' Torset Teneriffe, most attractive type and well presented, good headed bitch with excellent neck, nicely set into well laid shoulders, straight coat, good body and quarters, with maturity looks more compact, needs to strengthen in pasterns and I should like her better if she showed with a bit more zest, when moving her tail is often at half mast and her ear carriage gives a slightly bored expression, nevertheless a very good bitch. 2, Stallard's Marstall Polrose Perfecta, another good one but still only a puppy and so immature, pleasing shaped head with good foreface, rather plain in expression accentuated by shortage of face hair, good shoulders and front though a bit down on her

SEALYTIMES 1967

pasterns, level topline and excellent coat, with maturity should do very well, sound movement and good shower. 3, Neave's Brastedchart Sea Fairy, well balanced small attractive bitch puppy, very compact, good coat, looking well, sound gay mover, temperament went against her and this is a point on which I feel strongly, I hope that her habit of snapping at judges is only a passing phase. Sp. Restricted D (Champions only): 1, Ch. Alycidon of A. 2, Ch. S. Probity.

Puppy B.: 1, Cunningham's Ch. Langness of Mannin, beautiful bitch in every way, a year old today, has true Sealyham head with lovely feminine expression, most pleasing outline with reachy neck correctly set into sloping shoulders, level back of right length ending in well-set tail, sound and correctly made throughout, as her feet were seldom on the ground when moving it was impossible to assess movement but in this class I gave her the benefit of the doubt and concluded that her movement matched her correct conformation, when it came to the challenge she lost solely on this point as when competing for top honours an exhibit cannot win on guesswork; res cc. 2, Baylay's Shenden Picturesque, good coated sound one standing but front action did not please, pretty head, good body, set-on and quarters, well boned legs with good feet, not ready yet so looked a bit up in the air. 3, Forsyth's Brastedchart Sea Belle, pretty puppy with excellent neck, shoulders and front, good spring of rib in good condition and showed well, her head is the right shape but hardly important enough for her length of body, I hope that her hind action improves. Junior B.: 1, Ch. Langness of M. 2, T. Teneriffe. 3, Heap's Pinelea Ponder, like her kennel mate well made throughout, sound and low to ground, balanced but again too fat, a pity as this does detract from the outline. Maiden: 1, P. Ponder. 2, S. Picturesque. 3, M. P. Perfecta. Novice B.: 1, T. Teneriffe. 2, P. Ponder. 3, Chenuz's Cora Con Amore of Eastfield, excellent coat and conformation, dead sound but hardly enough of her and lacks body. Tyro B.: 1, T. Teneriffe. 2, P. Ponder; 3, C. Con Amore of E. Graduate B.: 1, P. Ponder. 2, Cumings' Polrose Fieldway Periwinkle, very good type, lovely head, good neck and shoulders,

looking better than I have ever seen her, gay shower, her set-on mars her topline when moving. 3, Willis' Tarnvale Telstar, pretty head, nice neck and shoulders, strong quarters, good coat, correct size, could be gayer, perhaps if she lost some surplus fat she would be more energetic. A very nice bitch in this class was dead lame. Limit B.: 1, Lumley and Powell's Maxgate Miss Dior, very attractive, gay and sound, typical with plenty of substance combined with quality, very good neck and shoulders, well sprung body of right length, strong quarters, excellent bone, good jacket; won her third cc and was best of breed, a worthy champion. 2, Easton's Forestedge Silver Portrait of Mannin, a lovely racy type with long head to match her reachy neck and beautifully laid shoulders, very like her brother but carrying slightly more weight though she could do with still more, absolutely sound, good coat, would like better developed quarters. 3, de Quincey's Brash Breath of Spring, attractive head and expression, smaller than above, good shoulders, sound, straight coat slightly on the blow which gave her the appearance of roaching when she moved, moves correctly but is rather narrow all through and not nearly ready yet. Open B.: 1, M. Miss Dior. 2, F. Silver Portrait of M. 3, B. B. of Spring. Restricted Open B. (Champions only): 1, Lihme's Ch. Brastedchart Seabird, looking very well and has bodied up, beautiful forehead with sweet head, good neck, shoulders and front, moved briskly and really covered the ground. 2, Lumley and Powell's Ch. Carmelita of Coppertrees, the heroine of many other club shows but is beginning to show her age and did not move with the zip of winner, excellent type, good everywhere and excelling in topline, slightly more heavily made than above.

THE 1966 CHAMPIONSHIP SHOW

Held at Ascot Wood, on Friday, 1st July, 1966.

REPORT OF JUDGE: Mrs. C. J. Barber

Sealyham Terrier Breeders' Association ch. show was held at Ascot on July 1st. Puppy D.: 1, Chenuz's Camprover of Eastfield, a gay handsome youngster, lovely outline, good coat, front and substance. 2, Bilney's Vandon Vote Seeker, typical in every way, is very young and lacks body at present, is well made and sound. 3, Strachan's Atusta the Dictator, another I liked a lot, really grand head, great substance, needs to firm up in topline. Junior D.: 1, Baylay's Shenden Sunrise, a beautifully built dog with a great substance in small compass, a really harsh coat, a treat to see him move. 2, Camprover of E. 3, Royden's St. Benets Jock, did not settle too well to showing, glorious head, front and coat, needs to tighten up. Maiden D.: 1, Camprover of E. 2, St. Benets Jock. 3, V. Vote Seeker. Novice: 1, Camprover of E. 2, St. Benets Jock. 3, Smith's Mapledales The Count, appealed to me very much for type and temperament, grand head, harsh nicely fitting coat, was just not standing quite true at times. Tyro D.: 1, Tombs' Michaelstowe Casanova, a lovely type, has the real showing temperament, beautifully made and good to look at from any angle, went on to win best of sex. 2, Camprover of E. 3, M. The Count. Graduate D.: 1, M. Casanova. 2, Dickinson's Aspirant of Axe, has a truly magnificent head and great substance, not moving as well as the winner. Limit D.: 1, Royden's Brash Speciality, a fine quality specimen of his breed, is a perfect size, with plenty of head, harsh coat, bone and a good showman, sound as a bell, should prove an asset to the breed, went on to best of breed, a grand headed dog, sound and the size I like, just not at his best in coat at present. 3, S. Sunrise. Open: 1, Chenuz's Brash Beattie, commanding head, sound in every way and a showman. 2, Bilney's Vandon Volcanic, this good dog was lacking in body, built on lovely lines and has a very good head. 3, P. Possibly

Me. Sp. Exhibitors: 1, P. Possibly Me. 2, M. The Count. 3, Wells' Audacter Miss Muffet, a very attractive bitch, harsh coated and nicely made, good mover, just short of leg hair.

Puppy B.: 1, Cummings' Polrose Brastedchart Sea Jewel, a lovely bitch, bound to go to the top with maturity, just as sound as a bell and shows herself well. 2, Forsyth's Brastedchart Sea Picture, much the same pattern and will always be asking for recognition, I learnt afterwards that they were litter sisters. 3, Bilney's Vandon Vive L'Amour, this good bitch was lacking coat, which really spoilt her chances. Junior B.: 1, B. Sea Picture. 2, Rootes' Forest Trixie, excelled in body, front, quarters and a sound mover, has a charming expression. 3, Drummond's Snikta Consolation, lovely head, neck and shoulder, grand coat, just a shade longer in body. Maiden B.: 1, V. Vive L'Amour. 2, Burgess' Marstall Soraya, a grand type, but is too fat, which spoils her outline, sound and harsh coated. 3, Chenuz' Culottes of Eastfield, pretty as a picture, but too small for me. Novice B.: 1, V. Vive L'Amour. 2, Royden's St. Benets Seamaid, got her place only because she is such a good bitch, but she never settled to showing, when she does should do well. 3, S. Consolation. Tyro B.: 1, B. Sea Picture. 2, A. Miss Muffet. 3, A. Vive L'Amour. Graduate B.: 1, P. B. Jewel. 2, A. Miss Muffet. 3, T. Trixie. Limit B.: 1 Vandon Village Idle Talk, a lovely bitch, made right and is right. 2, A. Miss Muffet. 3, T. Trixie. Open B.: 1, Stellard's Marstall Polrose Perfecta, took her some time to settle, but is a beautiful bitch, having extreme quality, lovely head, coat and a sound mover, I awarded her the cc. 2, V. Village Idle Talk. 3, Cumming's Polrose Pretty Pickle, charming little one, well made, great quarters for size. Sp. Restricted (ch. only): 1, Ch. Torset Teneriffe, this good bitch was not showing too well, has a lovely head, coat and front.

W. BARBER.

which was one of yours and was by far the most in-
telligent sealyham I have ever owned and I have had quite
a few in my long life. How do you manage to get them
that way?"
